Summer is Coming!

Air Conditioning: The offices, the Gathering Place, the Nursery, the Library and the Sunshine Room are all air-conditioned. However, the system is only set to "cool" when necessary to conserve energy. If the system is on, please keep windows closed in these rooms.

Sanctuary: The sanctuary is not air-conditioned, so the doors from the Gathering Place should remain closed when the air conditioning is on. The windows above the exit doors and the windows in the choir may be left open in hot weather. If you use the ceiling fans in the Sanctuary or other portable fans, please turn them off when you are finished.

General Reminders: Please turn off all lights as you leave, including those in the corridors and the chandelier at the front entrance. Security lights will remain on automatically.

If you open a window while you are in the building, please remember to close it before you leave.

Please close all room doors and lock them if you unlocked them, and remember to check that exterior doors are locked and securely latched before you leave.

Mission Moments: June 2017

Transforming young adults

With support from *Presbyterians Sharing*, young adult international internships provide opportunities for young people to learn and grow in

faith. Interns return to Canada having experienced Christ's mission in the world, excited to share what they've learned with their congregations and friends. At the end of August, Jacqueline Bannerman will finish an eight-month internship working with our partner, the Reformed Church in Hungary, to support refugees in Budapest. This type of transformative experience influences life decisions. Preparing and supporting young adults and helping them discern the call of Christ in their lives, nurtures leadership in the church.

Presbyterians Sharing transforms lives

World Refugee Day

Presbyterian World Service & Development is very grateful for the congregations, presbyteries, groups and individuals who contributed

to refugee sponsorship efforts in 2016. Whether they were involved in an application, raising funds or collecting furniture, Presbyterians were enthusiastic as ever to respond to the global refugee crisis by contributing to resettlement opportunities in Canada. In 2016, 73 sponsorship applications were filed for 244 people, with families from Syria, Burundi, the Democratic Republic of Congo, Egypt, Eritrea, Iran, Iraq, Liberia, Pakistan, Burma and Venezuela arriving safely in Canada. We celebrate the compassionate efforts of Presbyterians across Canada who are responding to God's call to serve and defend the vulnerable and the persecuted.
