Mission Moments: January 2018

"I hope more people like me will be helped by this clinic"

While working at her tailoring shop in Nepal, Sita noticed her hands were starting to feel numb and looked strangely white. As the numbness worsened, Sita

grew very sick and weak. Unfortunately, the doctors she visited were unable to diagnose her illness. The future looked a little brighter when Sita learned she was pregnant and eventually delivered a healthy baby girl—but the onset of a severe fever shortly after shattered her fragile hope. Sita tried one last hospital where she was diagnosed with leprosy and referred to the Presbyterian World Service & Development-supported Banke Clinic for treatment. There, a hopeful journey to recovery got its start. "I am getting good treatment, nutritious food, and care from the staff," reports Sita.

Working with international mission partners

Effective mission partnership is a covenant relationship between people who are striving to bring about God's realm of justice and peace. In 2017, gifts to *Presbyterians Sharing* provided some of the PCC's international partners with 30 grants totaling \$320,000. These grants supported Bible translation in

Nigeria and Mauritius; women's pastoral programs in Guatemala; biblical, theological and pastoral training in Mauritius and Guatemala; theological seminaries in Lebanon, Malawi and Romania; lay training centres in Ghana and Malawi; refugee programs in Lebanon and Palestine; and medical centres in India. Mission and vital world-wide ministry partnerships that put people first happen because of the faithful generosity of Presbyterians across Canada. Gifts to Presbyterians Sharing allow our church to be with those on the margins and change lives around the world.

Presbyterians Sharing supports international partnerships because they matter
