MISSION MOMENT Sunday, August 18

"I decided to participate in order to differentiate between traditional farming methods and new farming techniques facilitated by Churches Action in Relief and Development (CARD) staff," shares Lucius, a 45-year-old farmer from Malawi. "In previous years, my house experienced food insecurity, but after hearing about this type of conservation farming, my family and I were interested in starting to practice it." Lucius adds, "I feel that this project wants us farmers to farm in the way God intended since it is teaching us how to farm while taking care of the biodiversity. The project is teaching us how to fish, not giving us fish. It addresses the real needs of our communities." Working with local partners, PWS&D aims to strengthen the production ability and capacity of smallholder farmers so that they can withstand climate change and be more resilient when disasters hit.

Volunteers needed to serve as ushers

The Worship Co-ordination Team would like to invite individuals to serve as ushers. This involves serving on a rotational basis. Training is provided. Ushers help set the tone in preparation for the worship service, as well as assist with the smooth operation within the service. Please contact John Fair at 613-823-9970 if you have any questions or are willing to serve.

Mid-Week Summer Fellowship

On Wednesday evenings in August, we invite those who are available and able to gather in the Fellowship Hall at 6:30 p.m. for cold drinks and conversation, followed at 7:00 p.m. by study together in Peter's first letter.

We will be viewing a video series by Dr. Sinclair Ferguson entitled, "Sojourners and Exiles". Christians in North America in the 21st century are pilgrims and exiles in a social climate and culture very similar in many ways to that faced by Christian pilgrims in the first years following Jesus' life and death and resurrection. Peter addresses such pilgrims sojourners and exiles in his letter. Sinclair Ferguson is one of the most articulate expositors of God's word alive today, and brings a lifetime of experience as a Christian pastor and teacher to bear on helping us to understand and apply Peter's insights for our present time and situation.

All are welcome to join us for fellowship and learning together on Wednesday evening.
