

Even if

They say sometimes you win some
Sometimes you lose some
And right now right now I'm losing bad
I've stood on this stage night after night
Reminding the broken it'll be alright
But right now oh right now I just can't

It's easy to sing
When there's nothing to bring me down
But what will I say
When I'm held to the flame like I am right now

chorus 1:

I know You're able and I know You can
Save through the fire with Your mighty hand
But even if You don't, My hope is You alone

They say it only takes a little faith
To move a mountain, Well good thing
A little faith is all I have right now

But God when You choose
To leave mountains unmovable
Oh give me the strength to be able to sing
It is well with my soul

chorus 1

chorus 2:

I know the sorrow and I know the hurt
Would all go away if You just say the word
But even if You don't, My hope is You alone

You've been faithful
You've been good all of my days
Jesus I will cling to You, Come what may
'Cause I know You're able, I know You care

chorus 1 & chorus 2

It is well with my soul
It is well it is well with my soul
